All the world's a stage,
And all the men and women merely players;
They have their exits and their entrances;
And one man in his time plays many parts,
William Shakespeare -- As You Like It

This year Banning High has been a stage. All of us attending have played a vital part upon this stage. We have been participants in and observers of joyful acts of comedy and unwanted acts of tragedy. During this year, we have lived, we have loved, we have laughed, we have cried, we have been--ON STAGE.

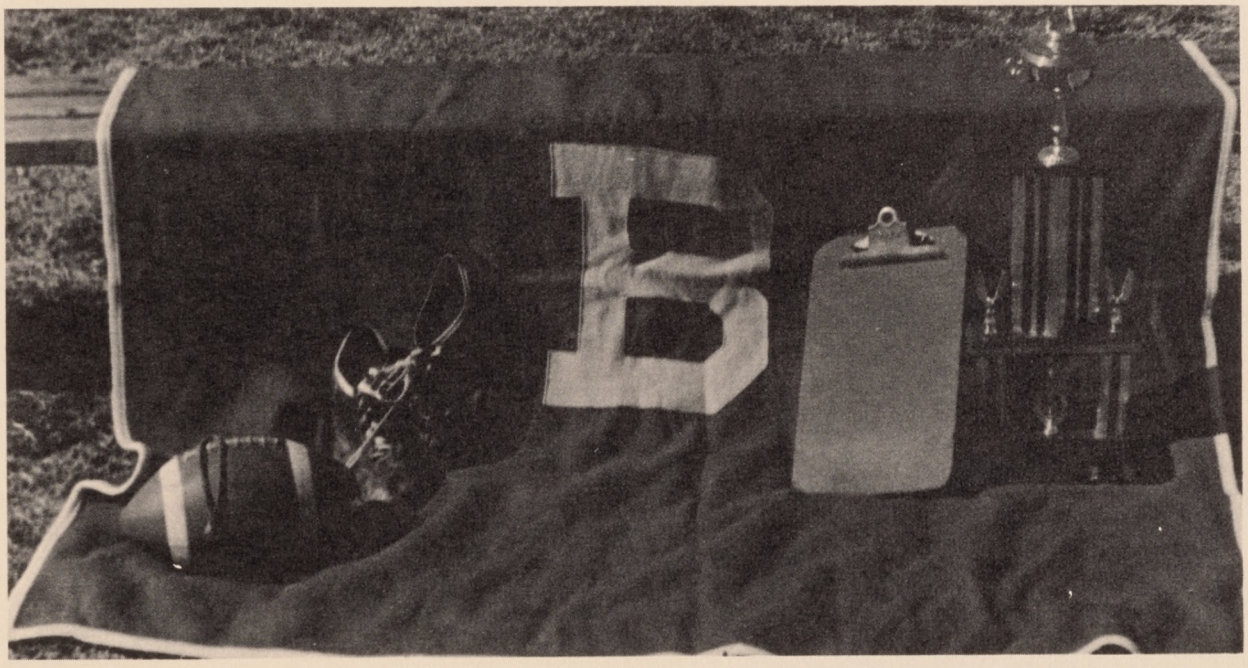
In Memorium

Mr. Jere Duane Dudney

June 21, 1933-February 28, 1969



We would like to pay tribute to a truly great man, Mr. Jere Dudney. He was a man with many great qualities and because of this, he was loved by all those who knew him. He was the man who taught us to take pride in ourselves and in our school. He was the man who taught the boys he coached and other students to work together to reach a common goal.

He taught us that hard work has many values, now and in the future. He was the man who brought pride to a peak at Banning High School. He went about this in a way that only he could, "The Dudney Way".

Now that Mr. Dudney is gone, we must be the good people that we are and could be. We must be the good people that he so often talked about.

Away

I can not say, and I will not say
That he is dead.-He is just away!

With a cheery smile, and a wave of
the hand,
He has wandered into an unknown
land,

And left us dreaming how very fair
It needs must be, since he lingers
there.

And you--O you, who the wildest
yearn
For the old-time step and the glad
return, -

Think of him faring on, as dear
In the love of There as the love of
Here;

Think of him still as the same, I say:
He is not dead-he is just away!

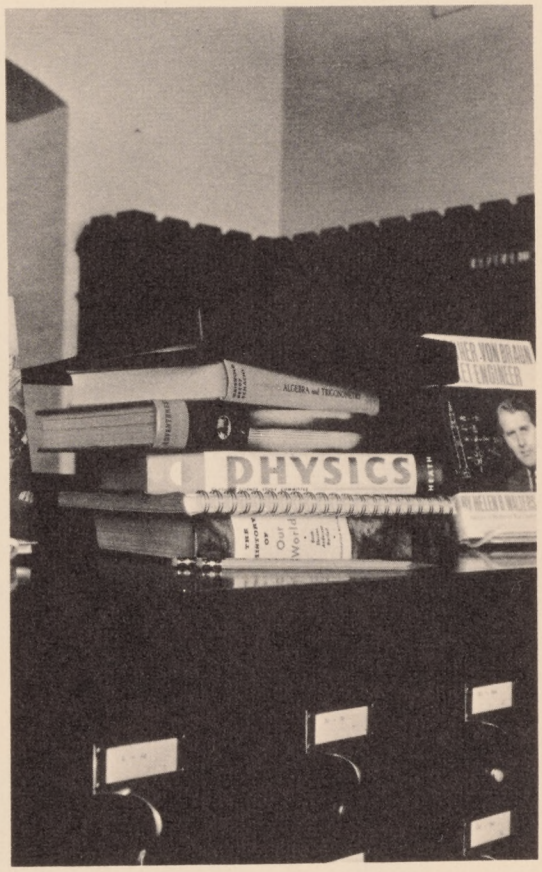
ACADEMICS



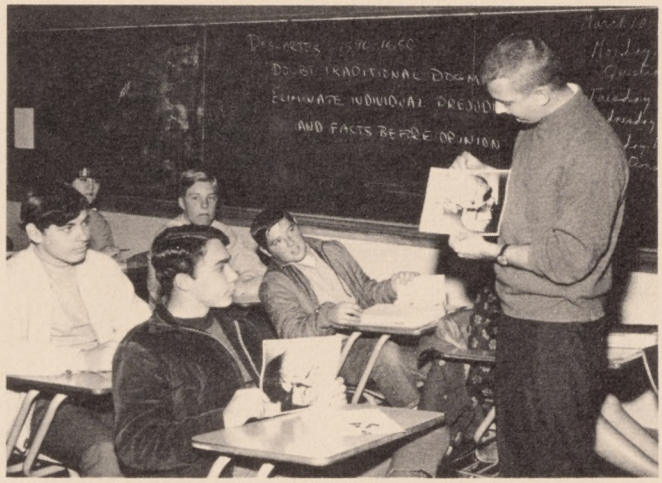
Communication: Key Word

English is a required course of all students attending Banning High. English I covers the language essentials: spelling, grammar and composition. The aim of English II is to increase proficiency in punctuation, vocabulary and literary appreciation. English III augments reading comprehension skills and appreciation of the American Literary Heritage.

Along with a review of grammar essentials, English IV stresses practices in composition and essay writing and highlights of the English Literary Heritage. A reading program is part of the English Department and is taught by Mr. Rojas, a new faculty member. The program stresses speed reading, developing perceptual abilities, developing comprehension abilities and word and number recognition.

When I read some of the rules
for speaking and writing the
English language correctly,
. . .I think--
Any fool can make a rule
And every fool will mind it.

Henry D. Thoreau



While we read history
we make history.
George William Curtis

The Social Studies Department is divided into Government and Economics, World History, Geography and Humanities. Government/Economics is a combined course. It emphasizes the interrelationship of the Legislative, Judicial and Executive branches of our Federal Government, money, insurance, banking, investment, and government expenditures. The sophomore World History classes study the history of the Western Civilization and discuss such controversial subjects as the evolution of man, communism and the social revolution. The Geography students study the influence of climate and typography on human welfare and the economic interrelationship among nations through foreign trade. Humanities, primarily a philosophy course, covers the philosophy of Western Civilization from Greece to modern times. A study in comparative religions is also covered.

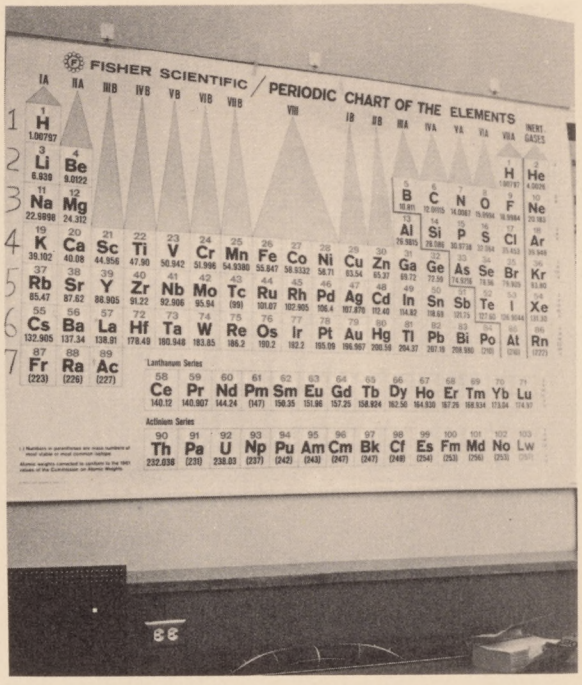
Men love to wonder, and that is the seed of our science.

Emerson

Math And Science

Many of the math courses offered to students are college preparatory. The ones which fall into this category are: Algebra I "X", Geometry "X", Math Analysis, Algebra I and II. The main aim of the math courses is to develop students' skill in deductive logic and to expand their knowledge of the properties and functions of a number field. This is done through the use of graphs, exponents, axioms, sign numbers, lines and angles. Nearly all of the classes have a mixed enrollment.

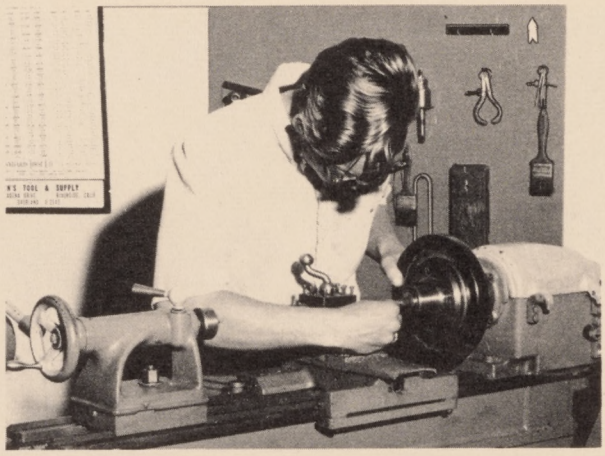
Another course that has a mixed enrollment, but isn't college prep, is General Math. This course covers the basic functions of addition, subtraction, multiplication, division, fractions, and percentages.



Encourage Free Thinking

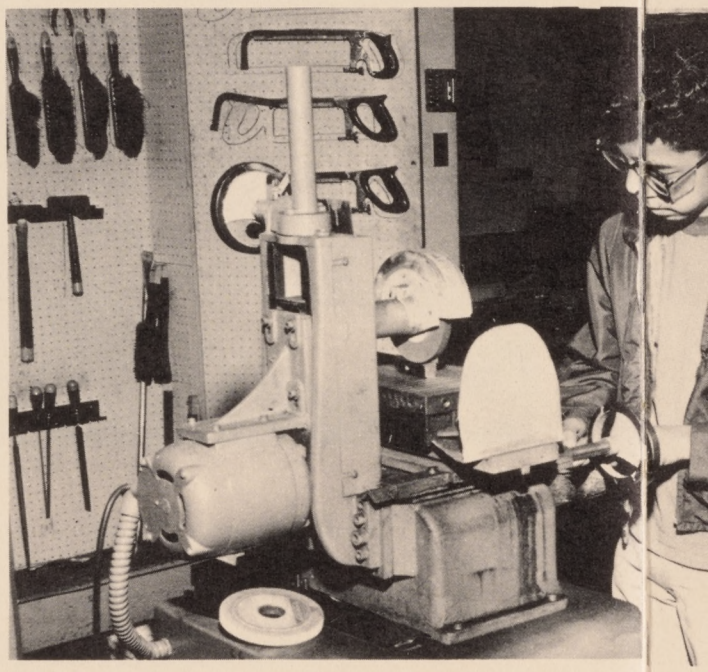
The five science courses offered on campus are: General Science, Life Science, Biology, Chemistry, and Physics. General Science, a freshmen course, is a lab approach to the physical properties of matter. Life Science is a beginning course in biological sciences.

Biology is the study of chemistry, genetics and physiology. Chemistry stresses modern theories through the use of chemical experiments. Physics, an all seniors course, studies mechanics, sound, light and electricity.



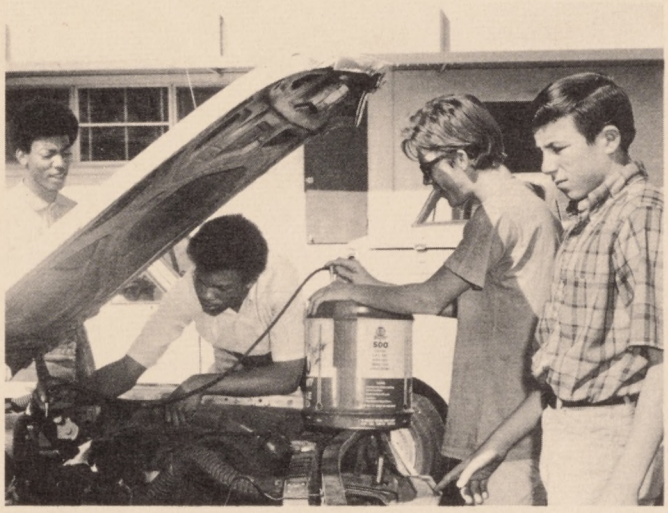
Industrial Arts Provide

Woodwork, Metalwork, Drafting, and Auto Shop are the courses which make up the Industrial Arts program. Drafting is basically a mechanical drawing class. Students are taught to understand drawings as they are used in industry. General Metals covers machine work, sheetmetalwork, foundry, and welding. Machine Metals is a vocational program designed to place students in the machine industry. Students learn the operation of machines that are used in industry.



Ah, to build, to build!
That is the noblest of all the arts.

Longfellow



In Woodworking, students learn a broad variety of basic hand tool skills and the operation of woodworking machinery. Students are encouraged to use their own ingenuity. Auto Shop places emphasis upon developing the students' interest in proper maintenance and operation and understanding how the various units of the automobile work. There are several girls enrolled in industrial arts.

Specialized Training

Preparing For Future Homes

A wide range of subjects is covered in the homemaking classes. In the unit on food, nutrition, food preparation, desserts and foreign foods are studied. The clothing unit has tips on dress and material selection and sewing skills. A study in child care includes observation and understanding of a child's behavior and characteristics. Work in the Head Start Program is a part of this unit. The housing unit has three projects that require students to furnish a room or an apartment economically. Of the 137 students enrolled in these classes, seven of them are boys.

The many make the household,
But only one the home.

Banning High is fortunate in that it has a very extensive business education department. department. The department is divided into Typing I and II, General Business, Shorthand I, I, Bookkeeping I, Office Occupations Laboratory A, Office Occupations Laboratory B and Clerical Office Practice. Some of the students enrolled in these courses are only interested in learning how to type, while others are interested in learning all the basics of a business career. Most of the classes have an enrollment of students from every grade.

Cultural Courses—Music,

There are three outstanding choirs on campus under the direction of Mr. Jensen. They are the Madrigals, Acappella and the Girls' Choir. The choirs learn about various types of music and learn how to use the voice properly. Some of the programs they sponsor and participate in are: Christmas program, Sip 'n Sing, musical comedy, "Bye Bye Birdie", Bacculaureate, Vocal Festival at Upland and a Choral Festival in Riverside. The Girls' Choir and Acappella also perform at various service clubs.

Work thou for pleasure!
Sing or paint or carve
The thing thou lovest,
Though the body starve.
Who works for glory
Misses oft the goal
Who works for money
Coins his very soul
Work for the work's sake,
Then, and it may be
That these things shall be
Added unto thee.

Kenyon Cox

The main objectives of Art I-IV are to orient students in the principles of design and elements of art, to encourage and develop talented skills, and to stimulate originality. The Crafts course has students working with leather, ceramics, weaving, mosaic tile and other hobby materials. Advanced art students aid in the publicity of school events.

Art And Languages

There are three foreign languages taught at Banning High: Spanish, French, German. German is the newest addition to the language department. Taught by Mr. Cutler, its areas of study include grammar, composition, literature, pronunciations and translations. Spanish I-IV also covers grammar, pronunciation, reading and translations. The teacher is Mrs. Doyle.

A new faculty member, Mr. John Gonzalez, is the instructor of French I through IV. The curricula consists of grammar, reading, and translations. Part of French III and IV's reading requirements is LA PESTE (The Plague), by Albert Camus.
The enrollment of the language courses is a general mixture of grades nine through twelve.

Headphones are used regularly as a part of the lesson.

Every language is a temple, in which the soul of those who speak it is enshrined.

Oliver Wendell Holmes

A guest speaker in Spanish.

Striving For Physical Fitness

The main purpose of physical education is to bring about a state of physical fitness in students. This state is strived for through a program involving the following athletic activities: sit-ups, push-ups, 50 yd. dash, 600 yd. run, softball throw, standing broad jump, and conditioning exercises. Some of the sports engaged in to develop skill and coordination are softball, volleyball, tennis, soccer, gymnastics and basketball. Every student, from ninth through twelfth grade, participates in some type of fitness program.

The vigor of our country is no stronger than the vitality and will of all our countrymen.

B.H.S. Rated Number One

Banning High's school spirit was rated number one in the De Anza League this year. This could never have been possible without the efforts of the student body and the cheer and song leaders. The band also helped to promote spirit.

The student body had an overwhelming amount of pride in all of its football teams. This overall support, along with the coaches' experience and the teams' great playing abilities, was the factor which ranked BHS number one.

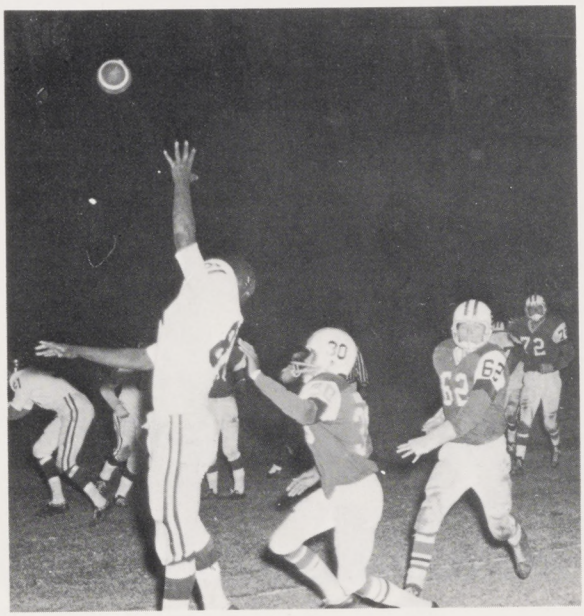
In the league opener against the Beaumont Cougars, the Bronco defense showed their supporters a smashing style of their defense that was to go on throughout the rest of the season. The Bronco offense seemed to be fired up for the opener also. Their running and passing attacks led the Broncos to a 26 - 0 victory.

With the long trip to Rim of the World the champion Broncos relaxed before their game with the Scots. But the relaxation didn't last. The Scots proved to be worthy opponents, but shortly the Broncos took control and proved to everyone that they were determined to go to C.I.F. with a 38 - 7 victory.

In the Broncos clash with the San Jac Tigers all passing attempts failed. But the Broncos running attack more than made up for this. When the Broncos let loose their running backs they managed to tally up 354 yards rushing. This terrific display led the Broncos to a 19 - 7 win over the Tigers.

Despite the mud soaked field the Broncos managed to hold their undefeated record by sinking the Elsinore Tigers by a score of 27 - 13. Even though the weather seemed to dampen the Bronco rooters, the team wanted this game most of all! Their enthusiasm shown brightly through the rain and gloom. This victory gave the Broncos a 5 and 0 record for the season.



With the excitement of Homecoming at hand the mighty Broncos went onto the field in high spirits that weren't at all dampened. Being led by a strong defense and an equally powerful offense the triumphant Broncos went to the dance with a 26 - 6 victory behind them at the cost of the Perris Panthers.

The 1968 fun-filled Homecoming Week (Oct. 28-Nov. 1) was a smashing success! Grub Day, Costume Day, the three-legged race, Color Day and a parade were some of the activities in which BHS's students participated and enjoyed. Even a few faculty members had fun by entering the pie-eating contest.

Ain't we sweet?!!?

Homecoming Victory!

A smashing victory from our Homecoming Game led us to the peak of our Homecoming Activities. The Perris Panthers thought their old fashioned single-line defense could put us under, but the tables were turned. The final score was a beautiful 26-6.

Broncos In CIF

On Friday, November 22, 1968, an overflow crowd poured onto the local gridiron to watch the Broncos clash with Apple Valley for CIF honors. What the crowd ended up seeing, after Banning took the opening kickoff, was a fast moving, hard hitting Sun Devil team bury the Broncos by a score of 34-6. Arthur Roberson carried the ball 53 yards for the lone Banning score.

The Broncos didn't seem to have had the snap, nor the strength, that they had displayed during the regular season.

The Banning Broncos entered the CIF play-offs with a record of eight wins and one loss, counting both league and non-league games. This outstanding record earned them the title of De Anza League Champs.

The Broncos' two win and eight loss record may not seem impressive, but their games were some of the best ever played. Each one was packed with fast-paced, thrilling action from beginning to end. Each team member put forth his best and utmost playing ability. Even though the team didn't garner very many victories, the boys retained their enthusiasm, determination and sportsmanship throughout the season.

Coach Fey's excellent management shown through in every game and was a contributing factor to the team's outstanding performance.

The team also acquired use of the forest green blazers, worn for the first time this year by the varsity football team, on game days.

Junior Varsity

The JV's had a very successful season this year. Due to Coach Fey's guidance and the boys' talents, they ended up with an impressive record of ten wins and no losses. With their fine abilities, they are sure to be tough competition in the DAL next year.

Standing L. to R.: Rodger Foster, Tim Contreras, Matthew McSpadden, Dick Byerly, Larry Law, Doyle Beasley, John Robinson. Kneeling: Robert Simpson and Coach Fey.

The Freshmen team is also deserving of merit. With Coach Peterson's assistance, the boys worked as a strong unit. They were rewarded with a record of seven wins and three losses. The experience they gained this year will will be a big help in next year's competitions.

Standing L. to R.: Greg Mummy, Dave King, Alvin Austin, David, Davis, Matthew Jones, Sam Barfoot, Kenneth Law, Kevin Dinwiddie, Dale Kjorvestad. Kneeling: Richard Catozzi, Coach Peterson, Larry Hall.

In the 17th Annual Block B Tourney, 8 teams participated. Out of these teams, 5 players were chosen to be on the all-tourney team. They are from L. to R.: Doug Hanvey, George Brown, Mike Record, Scott Humphreys, and Ron Pirot.

Block B

Every year the Block B picks a queen and a court to reign over the tourney. This year they are from L. to R: Leina Enriquez, Shirley Lewis, Joan Shelton, Queen, and Terresa Catozzi.

The winning team in the tourney was San Jacinto.

For the first time the freshmen entered their role as players on the stage of high school life.

The road has been long and hard; they have had many ups and downs. But in the end they have triumphed and made the graduation from "bubble-gummers" to their second role as sophomores.

STUDENT LIFE

Sandro Biavaschi

This year at Banning High we are honored with the presence of Sandro Biavaschi, our foreign exchange student from La Spezia, Italy. Sandro's ready Smile and Italian accent have filled the hallways with warm cheerfulness this year. His wit and lively sense of humor have delighted the students of BHS and won him many friends.

Our Foreign Exchange Student

Miss Banning

Peggy Rodriguez

Peggy is 5 feet 5 1/2 inches tall and weighs 123 pounds. She has blue eyes and blonde hair. She likes sewing, singing, cooking, and all outdoor sports. She works part time as a secretary's aid and teacher's aid, and hopes to attend Los Angeles City College of Dental Assistants, then major in home economics at college. Peggy was selected as one of the Queen Scheheazade's Court at Riverside County's National Date Festival in Indio.

In Banning, Peggy received the title of Miss Stagecoach Days as well as Miss Banning. Her runners-up were Geri Daic, Marla Brandes, Valerie Pellum, and Thena Nelson.

Spirit, pep, and sportsmanship are a few things that the assemblies have promoted this year at BHS. The cheerleaders, song leaders, flag girls, drill team, and rally club all helped to make our assemblies more enjoyable. Our fabulous band enlivened the assemblies with their soulful beat.

The big cover-up

Here come the Frosh!

She's got a brand new secret!

Happy days are here again!

A lot of time and effort was spent to make the Spinsters' Dance on February 15, the most successful dance of the year. The theme was "Somewhere Over the Rainbow." Music was provided by the "Blue Spectrum." The dance is sponsored by the Girls' League under the supervision of Mrs. Wood.

King Robert crowned by his date, Judy.

Somewhere Over The Rainbow

It's mine! It's mine!

The second annual Donkey Basketball game was sponsored by the band on March 8th. The Varsity basketball team beat the faculty by two points. The score was 44 to 46. Both teams rode the donkeys with great determination. It was the funniest basketball game ever played at BHS.

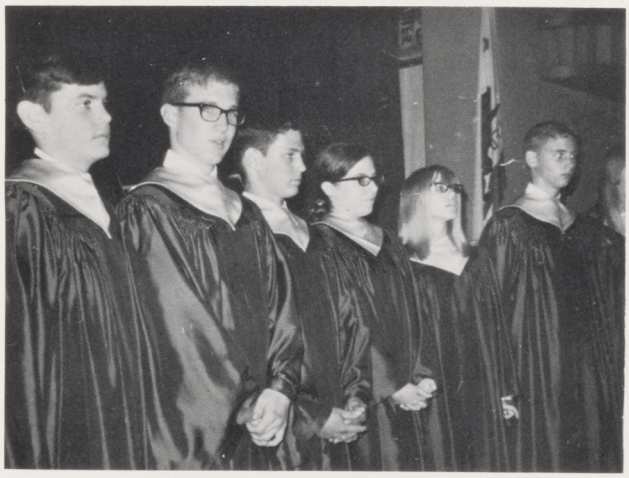
Peace On Earth

December 16th was the date of the 46th annual Christmas Concert. The program, produced under the direction of Mr. Jensen and Mr. Wolf, was a presentation of yuletide carols performed by the Acappella Choir, Girls' Choir, Madrigals, and the Band.



It's A Small World

The BHS Vocal Music Department presented its Fifth Annual Sip and Sing, on February 28th. The Acappella and Girls' Choirs demonstrated their talents individually and as a group. The program, under the direction of Mr. Jensen, was a big success. Following the theme, It's a Small World, the program was a presentation of songs from different countries.

High Achievers

C. Gambrall, H. Linnebach, S. Garcia, H. Higbee, P. Dugger, L. Higgins, T. Davis, L. Laurie.

These students won awards at the Indio National Date Festival. There were several First Place prizes garnered. The winning projects were entered in the following categories: Photography, Drafting, Woodwork, and Metalwork.

Bruce, Carol and Matt have been selected as Outstanding Teenagers of America. They received this honor on the basis of their ability and achievement. This honor automatically places them in competition for the Governor's Trophy and for one of two National Outstanding Teenagers of America scholarships.

Bruce Phillips, Carol Moore, Matt Digby

The participants in this year's Lions Club Student Speaker Contest were Rudy Palacios and Randy Matthies. Both boys wrote on "The Hopes and Fears of Today's Youth", but Rudy had the winning speech. Since he won on the local level, his next contest would be on the zone level.

Both Rudy and Randy received a trophy for their accomplishments.

The codfish lays ten thousand eggs,
The homely hen lays one.
The codfish never cackles
To tell you what she's done.
And so we scorn the codfish,
While the humble hen we prize,
Which only goes to show you
That it pays to advertise.
